Short Description

Tango Teak Club Chair HL-TAN-TK-CC by Harmonia Living

Description

The Tango Teak Club Chair (HL-TAN-TK-CC) by Harmonia Living is beautifully constructed and features a stylish Mid-Century Modern look that is both classic and timeless. The warm natural wood finish creates a soothing and relaxing environment perfect for modern outdoor dining. The distinctive angled legs and simple design also work well in contemporary or traditional homes. Each piece is made to compliment the next, creating a complete outdoor experience. Constructed with sustainably harvested, Grade A teak wood, this piece is naturally resistant to moisture, rotting, and pests and perfectly suited for various climates and environments. The cushions are made in the USA with quick-drying, Dacron and UV-treated, marine-grade PremoBond thread to create a supportive, yet comfortable seat that is meant to last throughout the seasons. All cushions are constructed from Sunbrella, Outdura, and Revolution performance fabrics, which carry a 5-year fade warranty. Known for its Quick-Ship Program, Harmonia Living offers 9 popular Sunbrella fabric options which are fade resistant, easy to clean, and ready to ship within days of placing an order! Harmonia Living can be tailored to both Residential and Commercial settings and is committed to delivering exceptional furnishings to your outdoor space.

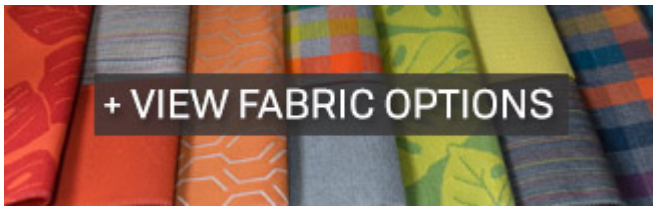
Features

- Made from sustainable certified V legal, Grade A teak is harvested responsibly. Grade A teak is from mature trees that features grain that is more even, and color that is more consistent than lesser grades of teak.
- Teak is dense hardwood that is naturally oily which offers benefits over other natural woods including resistance to light, heat, moisture and pest damage.
- New teak wood furniture will have a warm golden hue that patinas to a silvery grey over time. Letting the teak patina will not compromise the integrity of the wood, however, to keep the golden color, clean the teak furniture about once a year and apply a thin layer of teak oil.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
- Cushions are made in America using American materials including Sunbrella, Outdura and Revolution performance fabrics which are easy to clean, are fade, stain, mildew resistant and carry a 5 year warranty.
- Machine washable cushion covers feature durable and frustration free YKK brand zippers for easy removal. Top and bottoms of our seat cushions are identical so they can be flipped if a stain gets on

the cushion between machine washes.
- All cushions are sewn with PremoBond brand marine-grade UV treated thread made from high-quality mold, mildew, and rot resistant bonded polyester to ensure your cushions won't fall apart at the seams.
- Each seam is finished with overlock stitching for additional durability, reinforcement, weather proofing and to prevent the fraying of internal fabric edges during machine washing.
- American made CertiPUR-US® certified foam cushion inserts which are produced without harmful chemicals such as formaldehyde, ozone depleters, PBDEs, TDCPP or TCEP flame retardants and are free of mercury, lead, and other heavy metals to protect the planet as well as the health of you and your loved ones.
- Thick 4.5" foam seat cushion inserts plus additional layers of 1" of quick-drying Dacron on the top and bottom to help wick away moisture. This combination of layers creates the "Goldilocks" of cushions, firm enough to avoid bottoming out but soft enough for comfort.
- Back cushions are filled with 100% polyester fill fibers for a cloud-like backrest. The insert is sewn shut in a mesh encasing to keep the filling clean and easy to unstuff.
- Cushion ties are sewn to the back of each seat cushion to secure them in place to the frame.
- No assembly required.



Warranty

Harmonia Living's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Teak: Harmonia Living extends a 1-year residential / 90-day commercial warranty against defects in workmanship and materials
- Cushion: Harmonia Living extends a 2-year residential / 1-year commercial warranty against defects in workmanship and other materials used in cushion production
- Fabric: Sunbrella ®, Revolution and Outdura each carry a 5 year warranty. Please refer to the warranty of Sunbrella ®, Revolution and Outdura fabrics as the manufacturer's warranty will apply.

Care and Maintenance

Teak: Long-term, teak furniture develops a pleasing silvery gray patina, which is cosmetic and not an indication of dryness. Its natural oils help keep this hardwood strong and durable in a variety of environments, so there's very little maintenance. Because teak is very weather-resistant, it doesn't need to be stored during the winter or covered with protective tarps. However, covering teak furniture will protect the surface from elements such as hail, wind, and snow, which can cause cosmetic damage. To keep the original golden honey finish, apply a very thin layer of Linseed or Teak oil to your furniture 1-2 times a year, depending on exposure. Cleaning with teak cleaner is recommended every 2-3 years, along with the oil application.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the buildup of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.
