Description

Rugs can brighten up your home, be it inside or outside. With our Deerfield collection, you'll find rich, deep colors that give this collection of rugs a beautiful, sophisticated look that is just right for your home's traditional decorating. Made from 100% naturalized polypropylene thread weaved in a flat braided style, the

beauty of this collection's eight different colors will sparkle your life. It is highly durable and stain resistant and features reversibility for double the usage while keeping its color lasting for every feet that steps upon it to admire. Its lustrous blue with splashes of red and tan marks make the Midnight Blue rug gorgeous. The deep blue hue provides a room with depth and ambiance while the splashes bring light and liveliness to complete this rug's pattern.
