Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this Hampton set. All Hampton cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. Plus all Hampton cushions come with free welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.
