

ocean master MAX F-1

premium parasols

TUUCI's most durable and wind-resistant design is the Ocean Master MAX F-1. Featuring high-tension stainless steel reinforcement cables, Armor-Wall Aluminum Construction and tensioned stainless steel pocket construction, this parasol is built to withstand up to 45 MPH of wind force. Mounted directly into the ground with reinforced concrete and steel anchors, the F-1 MAX will survive the most severe elements that Mother Nature may unleash.
