Description

Three levels of flowing water and wonderful water noise defines the beautiful Liveo Floor Fountain. Featured in a beautiful chestnut finish, this two tiered fountain is sure to please all in any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
