Description

Featured in a gorgeous absolute finish, the Cresere Floor Fountain is sure to impress all. Featuring a delicate stone sphere at the top of the fountain, and three levels of moving water, this fountain is sure to increase tranquility in any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
