Comfort Heating For Any Occasion

Only Patio Comfort natural gas heaters are equipped with a 12' steel-lined CSA approved hose set and hook up kit. The hose kit includes two all brass CSA approved quick couplers and brass shut off valve for easy and safe heater assembly, hook up, movement, and storage.

Portable Outdoor Heating

Natural gas is a clean, safe, and cost-effective fuel. You will never have to worry about running out of fuel for your natural gas heater in the middle of an outdoor event or family gathering! Our bronze natural gas heater is also perfect for any outdoor setting. Our Patio Comfort outdoor patio heaters have been designed to produce comfort heating for your outdoor patio, outdoor decks, outdoor spa areas, pool areas, and other outdoor areas with plenty of fresh air. Infrared heaters utilize virtually 100% of the fuel/energy they consume

to produce clean draft-free warmth!

About the Manufacturer

Founded in 1966, AEI has operated under a consistent premise: provide the finest in innovative outdoor cooking and patio heating products to discriminating consumers and commercial customers. AEI is also the only single source of quartz electric, horizontal gas, umbrella domed, Natural and Propane Gas heaters.
