Short Description

Sunglo NG Permanent Outdoor Heater Black PSA265B

Description

The Sunglo NG Permanent Outdoor Heater Black (PSA265B) by AEI Corporation. The Sunglo™ Model PSA265B permanent post heater is an outdoor rated natural gas heater ideal for open patio designs. The in-ground post minimizes the deck space required and positions these heaters at the ideal height for comfort and safety. Heat coverage varies depending on the wind exposure on the patio. The average spacing between heaters is 12' Apart. This heater is available with a variety of control systems. The sunglo™ PSA265 is a manually operated heater requiring no electrical connections. This heater utilizes a pilot-thermocouple 100% safety shutoff. The pilot must be manually lit. The heater is turned Off/On with a manual control knob located at the front of the heater. 50,000 BTU/Hr. Made In The USA.
