## Description

---

With an intricate design, and two elongated levels of falling water, the Carafe Floor Fountain is sure to impress all. Featured here in an elegant standard finish, the tranquil water noise is sure to increase relaxation in any outdoor setting. This fountain is designed to stand flush against a wall.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
