Description

With a bold design and artistic features, the Water Trough Floor Fountain is sure to be the focal point of any outdoor setting. With impressive water noises and great water features, this fountain is sure to impress all. Featured here in a beautiful Sierra finish.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
