About the Manufacturer

Since 2000, Hospitality Rattan has been designing and distributing contract quality rattan, wicker, and bamboo furnishings. A variety of indoor and outdoor collections derived from the best possible materials is available for the furniture buyer who wants that tropical feel. Their high-quality outdoor furniture is constructed of all aluminum frames woven with Viro or Rehau synthetic wicker fiber that will not fade or when subjected to the elements. Choices of fabric options are available for the indoor upholstered collections to the Sunbrella brand outdoor fabric for the patio collections.
