Description

Featured here in a gorgeous celano finish, the Augusta Floor Fountain is sure to be the focal point of any outdoor setting. With an intricate design and tranquil water features, this fountain is sure to please all.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
