Short Description

Panama Jack Maldives Stackable Armchair combines a distinctive woven pattern with slim and agile lines to create a versatile, timeless

Description

The Panama Jack Maldives Stackable Armchair (PJO-1801-GRY-AC) by Hospitality Rattan. Constructed from unique bronze wicker polyethylene fiber over aluminum frames, the Panama Jack Maldives Stackable Armchair combines a distinctive woven pattern with slim and agile lines to create a versatile, timeless, and contemporary piece that will bring the relaxing and lavish essence of the ocean right to your backyard or patio. Dine in style with this classy and unconventional armchair ideal for any outdoor dining space. Combined with any of the multiple dining tables the Maldives collection has to offer, you can create an outdoor dining area perfectly suited to your needs. Additionally, the high-density woven pattern of these armchairs eliminates the need for cushions and makes for quick hassle-free storage.

About the Manufacturer

Since 2000, Hospitality Rattan has been designing and distributing contract quality rattan, wicker, and bamboo furnishings. A variety of indoor and outdoor collections derived from the best possible materials is available for the furniture buyer who wants that tropical feel. Their high-quality outdoor furniture is constructed of all aluminum frames woven with Viro or Rehau synthetic wicker fiber that will not fade or when subjected to the elements. Choices of fabric options are available for the indoor upholstered collections to the Sunbrella brand outdoor fabric for the patio collections.
