Short Description

Panama Jack Maldives Woven Dining Armchair combines a distinctive woven pattern with slim and agile lines to create a versatile

Description

The Panama Jack Maldives Woven Dining Chair (PJO-1801-GRY-SC) by Hospitality Rattan. Constructed from unique bronze wicker polyethylene fiber over aluminum frames, the Panama Jack Maldives Woven Dining Armchair combines a distinctive woven pattern with slim and agile lines to create a versatile, timeless, and contemporary piece that will bring the relaxing and lavish essence of the ocean right to your backyard or patio. Dine in style with this classy and unconventional dining armchair ideal for any outdoor dining space. Combined with any of the multiple dining tables the Maldives collection has to offer, you can create an outdoor dining area perfectly suited to your needs. Additionally, the high-density pattern of these woven dining armchairs eliminates the need for cushions.
