Short Description

Constructed from a unique bronze wicker polyethylene fiber over aluminum frames, the Panama Jack Maldives Stackable Barstool combines a distinctive woven pattern with slim and agile lines

Description

The Panama Jack Maldives Stackable Barstool (PJO-1801-GRY-BS) by Hospitality Rattan. Constructed from a unique bronze wicker polyethylene fiber over aluminum frames, the Panama Jack Maldives Stackable Barstool combines a distinctive woven pattern with slim and agile lines. Bring the relaxing and lavish essence of the ocean right to your backyard or patio with this versatile, timeless, and contemporary piece ideal for any outdoor bar or counter space. Combined with many other items the Maldives collection has to offer, you can create an outdoor dining area perfectly suited to your needs. Additionally, the high-density woven pattern of these stackable barstools eliminates the need for cushions and makes for quick hassle-free storage.

About the Manufacturer

Since 2000, Hospitality Rattan has been designing and distributing contract quality rattan, wicker, and bamboo furnishings. A variety of indoor and outdoor collections derived from the best possible materials is available for the furniture buyer who wants that tropical feel. Their high-quality outdoor furniture is constructed of all aluminum frames woven with Viro or Rehau synthetic wicker fiber that will not fade or when subjected to the elements. Choices of fabric options are available for the indoor upholstered collections to the Sunbrella brand outdoor fabric for the patio collections.
