Short Description

Constructed from unique bronze wicker high-density polyethylene fiber over aluminum frames

Description

The Panama Jack Maldives Rectangular Table with Glass (PJO-1801-GRY-RT-GL) by Hospitality Rattan. Constructed from unique bronze wicker high-density polyethylene fiber over aluminum frames, the Panama Jack Maldives Rectangular Table combines a distinctive woven pattern with slim and agile lines to create a versatile, timeless, and contemporary piece that will bring the relaxing and lavish essence of the ocean right to your backyard or patio. Dine in style with this classy and unconventional 78" x 39" rectangular table ideal for any outdoor dining space. Combined with either of the armchairs the Maldives collection has to offer, you can create an outdoor dining area perfectly suited to your needs. Additionally, the rectangular glass top that complements this table is included for a hassle-free completion of your hand-picked outdoor dining area.

About the Manufacturer

Since 2000, Hospitality Rattan has been designing and distributing contract quality rattan, wicker, and bamboo furnishings. A variety of indoor and outdoor collections derived from the best possible materials is available for the furniture buyer who wants that tropical feel. Their high-quality outdoor furniture is constructed of all aluminum frames woven with Viro or Rehau synthetic wicker fiber that will not fade or when subjected to the elements. Choices of fabric options are available for the indoor upholstered collections to the Sunbrella brand outdoor fabric for the patio collections.
