Description

The Ball and Wok Floor Fountain featured here in a delightful sierra finish, features a smooth spherical design. With water gently gurgling from the top of the fountain and cascading down the sides, the water noise from this fountain is sure to increase relaxation in any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
