Short Description

Panama Jack Maldives Round End Table combines a distinctive high-density woven pattern with slim and agile lines

Description

The Panama Jack Maldives Round End Table with Glass (PJO-1801-GRY-ET-GL) by Hospitality Rattan. Constructed from unique bronze wicker high-density polyethylene fiber over aluminum frames, the Panama Jack Maldives Round End Table combines a distinctive high-density woven pattern with slim and agile lines. This versatile, timeless, and contemporary piece is ideal for any outdoor living space, and will bring the relaxing and lavish essence of the ocean right to your backyard or patio. Combined with many other items the Maldives collection has to offer, you can create an outdoor living area perfectly suited to your needs so you can relax in style. Additionally, the round glass top that complements this table is included for a hassle-free completion of your hand-picked outdoor living area.

About the Manufacturer

Since 2000, Hospitality Rattan has been designing and distributing contract quality rattan, wicker, and bamboo furnishings. A variety of indoor and outdoor collections derived from the best possible materials is available for the furniture buyer who wants that tropical feel. Their high-quality outdoor furniture is constructed of all aluminum frames woven with Viro or Rehaus synthetic wicker fiber that will not fade or when subjected to the elements. Choices of fabric options are available for the indoor upholstered collections to the Sunbrella brand outdoor fabric for the patio collections.
