Description

Featured here in a stunning Sierra finish the Rubix and Wok with Riser Fountain features an artistic design with wonderful water features. The water gurgles from the top of the fountain and cascades down the spherical etched surface creating tranquil water noises. The Rubix and Wok with Riser Fountain is sure to be the focal point of any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
