Description

The Vortex Fountain is a twist from other fountains, it not only catches the eye of observers, but is sure to bring enjoyment to all. A fun design with tranquil water dripping from it's twisted edges, it brings serenity to any environment. Featured in a gorgeous Sierra finish.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
