Short Description

sku: MONF-BALL height: 73 in. width: 32 in. depth: 32 in. weight: 388 lbs. color shown: sierra

Description

The Monolith with Ball Floor Fountain featured in a pleasant sierra finish, has sharp defined edges and a commanding presence. With water cascading down on every side from its spherical top, this fountain not only has wonderful water noise but it also provides a great focal point for any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
