Short Description

11' Octagon Quick Ship Easy Tilt & Lift Cantilever Umbrella w/ Rolling Base 887

Description

The 11' Octagon Quick Ship Easy Tilt & Lift Cantilever Umbrella w/ Rolling Base (887) by Galtech International is classic, durable, and easy to use, bringing the perfect amount of shade and style to your patio. This parasol features a user-friendly Easy Lift & Tilt system, which means you'll spend less time setting up and more time

relaxing in the shade. Simply lift the handle to open the canopy and rotate the tilt wheel to engage the tilt function!

This sunshade is available in several sleek, rust-proof finishes and a variety of top quality, fade resistant fabrics. Whether you're looking to go bold, relax or bring a fresh new look to your outdoor space, this umbrella is adaptable to any and all of your outdoor needs. Bonus: It comes with a fillable rolling base!

Warranty

- Galtech International warrants that these products shall be free from defects in workmanship and materials under normal and reasonable use for a period of 2 years from the original date of consumer purchase.
- Damage caused by wind or improper care is not covered by this warranty.

Care & Maintenance

This sunshade is easy to care for. Simply hose off to clean or spot treat for stains. To further extend the lifespan of your umbrella, store in a protective cover away from the elements. Avoid using the tilt function during windy weather and try not to force the ribs apart when opening; this could damage your umbrella. If you plan on using your umbrella near salt water or an indoor pool, wipe down regularly to prevent paint blistering. Don't forget to store it ahead of a storm!

About the Manufacturer

Since 1994, Galtech International has been a premium source for outdoor shade products. Their dedicated team of specialists strive to make purchasing a patio umbrella a positive experience for business owners and homeowners alike. Exclusively designed with the latest state of the art materials, mechanisms, and fabrics, their designer oriented sunshades will complement and enhance any outdoor setting.
