Description

The Emerald Coast 7.5' Beach Umbrella (845W) by Frankford Umbrellas. Manufactured with beautiful 9 oz. marine grade acrylic fabric that offers unmatched UV protection and longevity, the Emerald Coast is easy to clean, mold and mildew resistant, and has a guarantee against fading. Other umbrellas are manufactured with lighter, 8 oz. furniture/cushion grade fabric that can sag or stretch over time. The steel frame and marine grade acrylic canopy are the two key components that make this umbrella the finest choice for durability and style. Choose from two sizes and either a wood or aluminum pointed bottom pole. The classic Emerald Coast steel beach umbrella has been the standard on the beach for more than one hundred years and youTM understand why.
