- Maintenance free stainless steel hardware
- Available with marine grade acrylic Recacril outdoor performance fabric
- Canopy fabrics are easy to clean and come with a 10-year fade warranty
- Assembled in the USA

#### Warranty

Frankford's warranty covers manufacturing defects; it does not cover breakage due to contact with foreign objects, chipping of the finishes, crumbling of concrete, or any damage associated with transporting the base. With a little bit of care, your umbrella will outlive the warranty by many years.

- **Frame:** Frankford warrants the frame structure of the LAUREL, EMERALD COAST, OAKWOOD BEACH CHAIR, SHADESTAR, LIFEGUARD, and BEACH CABANA for a period of one (1) year from the original date of purchase. This warranty includes manufacturer defects to the notch, runner, center pole, and skeleton structure.
- **Fabric:** Frankford offers 9 oz. marine-grade solution dyed acrylic fabric from several mills, including Sunbrella®, Outdura, and Recasens®. All marine-grade acrylic fabrics we use carry a warranty of ten (10) years residential / seven (7) years commercial from the original date of purchase. The warranty protects against the loss of characteristics, rot, mildew, and colorfastness typical in normal atmospheric conditions. The product must be properly installed, maintained, and under normal use and environment. This warranty does not cover damage caused by contact with foreign objects, abuse, negligence, vandalism, burns of any kind, improper cleaning techniques, normal wear, perforations, weather soiling, environmental pollution stains, natural disasters, or acts of nature. Damage caused by the storage method or location used by clients is not covered.

#### Care & Maintenance

**Frame:** Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power

washers, which could damage the finish. Try not to force the ribs apart when opening; this could damage your umbrella.

**Outdoor Fabric:** Cleaning your canopy on a regular basis will help prevent build-up of dirt, which can generate mildew. Simply spot treat stains with mild soap and water, rinse, and allow the fabric to air dry. Never use a commercial washer or dryer to clean your canopy.

**Covers & Storage:** To prolong the life of your umbrella, we recommend using a protective cover. In areas with a harsh winter climate or frequent storms, store your umbrella in a garage or shed to protect it.

#### About the Manufacturer

Frankford Umbrellas has been in the shade business for 121 years, providing superior quality umbrellas to the contract and retail industries since 1898. We are a dynamic and thriving company in the outdoor living industry, specializing in modern and traditional shade solution designs.

The beauty, design, and superior elements of our umbrellas bring enhanced resort and dining experiences to your cherished outdoor living space. We use only the best materials in manufacturing our umbrellas, and we are proud to build them right here in the United States. Our umbrellas are built to last, and are truly the best in the industry. We believe in providing our partners an exceptional product, at a reasonable price, with superior customer service.
