Short Description

Evans 48" Round Glass Top Dining Table

Description

The Evans 48" Round Glass Top Dining Table (K-280-48T-G) by Koverton Inspired by the geometric patterns of Alhambra in Southern Spain, Designer Robert Mainville wanted to incorporate some of the bold lines from the great architecture and impressive buildings into this collection, but with a transitional twist. From the straight wide arms, to the extra curvaceous back, to the strong details on the leg rails and stretchers - the Evans collection is bold, striking, and extremely comfortable.
