Short Description

Easy to fit into even the smallest of outdoor space, our Fiji Bistro Set will bring functionality and a touch of style into your home!

Description

Easy to fit into even the smallest of outdoor space, our Fiji Bistro Set will bring functionality and a touch of style into your home! A blend of colors create the spectacular look of this set's seats while the gorgeously

weather-resistant wicker frames offer an earthy, warm and inviting feel for this small set. Fit for two and ready for entertaining, this set features rust-resistant aluminum frames wrapped with crack, peel, and fade resistant wicker in seven glorious finishes. The bistro table is topped with a tempered glass top that makes this entire set shine in the sun! Add some weather resistant cushions for even more comforts!

Cushion Colors and Options: We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella on this Fiji set. All Fiji cushions are made to order, so we give you the option to select from any of our 80 in stock Sunbrella fabrics. Though welting/piping is not recommended for this set, the option to add welting/piping to your new set is available for an additional cost. Call us for more details!
