About the Manufacturer

The Berlin Gardens difference: Our furniture is solidly built, beautifully designed and amazingly durable. There's a reason. Our team of Amish craftsmen combine old world skills with modern technology and a commitment to doing the job right. You'll find extra value engineered in our products like welded aluminum frames under our tables and thicker support pieces. Why pick poly? Poly lumber makes strong, comfortable outdoor furniture without the hassles typically associated with upkeep. It's easy to care for, needs no painting and can withstand even harsh weather. Poly is an environmentally friendly choice, because it's made from recycled milk jugs.

Features

- PolyTuf™ Lumber is dense, durable and virtually maintenance free
- Unlike natural wood, poly lumber won't crack, fade or rot over time
- Built to withstand a range of climates, including hot sun, snowy winters, and strong coastal winds
- High Density Polyethylene (HDPE) lumber manufactured using 95% recycled plastic
- UV protectant and color infused into the lumber; no painting or waterproofing needed
- Comes with umbrella hole and plug
- BPA free and Amish made in the USA
- Chrome-plated stainless steel fasteners and aluminum support pieces are corrosion resistant
- Frame is easy to clean; simply spray off with a hose
- Some assembly required

Warranty

The Berlin Gardens warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- Poly Lumber: Berlin Gardens warrants that its outdoor furniture products will be free of original defects in workmanship and materials for a period of 20 years (residential use) / 5 years (commercial use) from the original date of purchase.
- Swivels, Bradford Pergolas, Arbors and A-Frames are warranted not to fail structurally for 5 years of residential use or two 2 years of commercial use.

Care and Maintenance

Frame: Simply hose off or wipe down your frames to clean them! Avoid using harsh cleaners, brushes or power washers, which could damage the finish. You can use Berlin Gardens Xtreme Clean or any generic composite deck cleaner if needed.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winters, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
