Short Description

If wood and soot is not for you, then perhaps the Camp David Fireplace is!

Description

If wood and soot is not for you, then perhaps the Sierra Outdoor Fireplace is! Gone are the days of the hassle of lighting wood and trying to keep the fire going. With the Camp David Fireplace, a light of a match is all you need to produce a gorgeous flame that is safely guarded by its frame. This fireplace will extend the summer season to give you more time to enjoy the breezy summer nights well after summer! But there's more - the Camp David isn't just a fireplace, it features a slide out drawer to hold up to 4 cans of fuel and a storage cover that protects it from the harsh conditions of being outdoors when you're not using it! Choose from a warming Copper finish or a dark Black finish to suit your outdoor space!

Dimensions

- Fireplace: 23"L x 24.25"W x 22"H (70 lbs.)

Features

- Made from hand-painted cast concrete with glass sides and powder-coated steel frame
- Includes: fireplace, decorative lava rocks and a protective cover
