## Short Description

Contempo 52"x36" LP Select Reclaimed Wood Firetable 785-BA by American Fyre Designs

## Description

Discover the epitome of sleek design and functionality with the Contempo 52"x36" LP Select Reclaimed Wood Firetable (785-BA) by American Fyre Designs. Drawing inspiration from its predecessor, the Contempo Rectangle Firetable, this exquisite piece features a concealed drawer designed to effortlessly accommodate a standard horizontal propane tank. Crafted with a contemporary low-profile silhouette and coffee table height, it's an inviting focal point for outdoor gatherings, offering both warmth and style on chilly evenings. With a range of captivating finish colors to choose from, the Contempo LP Select Firetable harmoniously complements your backyard ambiance, creating an enchanting haven for unforgettable moments.

### Includes

- One (1) Contempo 52"x36" LP Select Reclaimed Wood Firetable 785-BA
- One (1) Bag of 10 lbs. or 5 lbs. Base Layer Lava Granules LF-10 or LF-5
- Recommended: 10 lbs. of Glass Media to be used in addition to the Base Layer Lava Granules (Sold Separately)

### Dimensions

- 52"W x 36"D x 18.5"H (270 lbs.)
- Linear Burner Length: 24"

### Features

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC) made in USA
- GFRC derives its strength from portion of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements
- Stainless steel burner is durable and weather-resistant
- Adjustable flame height for comfortable dining
- Available in liquid propane
- Convenient tank drawer to accommodate a horizontal 20# DOT type Propane tank inside the unit (tank not included)

- Gas will shut-off automatically if the thermocouple does not sense the presence of flame, ensuring increased safety

#### About Manual Flame Sensing Control System

Match-lit, thermocouple equipped control with flame sensing recognition and manual flame height adjustment. The BTU rating with Manual Flame Sensing Control System is 60,000(LP).

#### Warranty

American Fyre Designs' warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Finish and Accessories: Exterior (GFRC) fire features and accessories are warranted for 3 years in a residential setting
- Components: Valves, burners, electrical components, and controls (excluding batteries) are warranted for 1 year in a residential setting

#### Care and Maintenance

Concrete Frame: Concrete is porous and absorbs oils, acids, and chemicals. Clean spills immediately by rinsing or washing gently by hand using clean water and a soft, nonabrasive cloth and allow to air dry. Avoid using harsh cleaners, oily or acidic substances, brushes, or power washers, which could damage the finish.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

#### About the Manufacturer
