Warranty

Ebel Inc.'s warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- 15 Years Frame Warranty
- 2 Years Fire Pit Burner
- 3 Years Aluminum Finish

Care & Maintenance

Frame: Simply wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.

About the Manufacturer

Founded over 30 years ago, Ebel has built a reputation for providing quality outdoor products at unparalleled value. From the first sketch to the final production, Ebel offers sophisticated pieces made with uncompromising craftsmanship. Crafted with durable materials such as sleek, powder-coated aluminum and timeless High-Density Polyethylene (HDPE) wicker, Ebel allows you to enjoy your outdoor patio furniture over many seasons. Comfort and style take center stage with premium quality cushions that look good and sit even better. All of our cushions are made-to-order in the USA in your choice of fabrics. With 99 stocked fabrics and hundreds more available on special orders, creating your perfect look has never been easier. We offer performance fabrics specifically designed for outdoor use.

When you purchase an Ebel product, you get more than just great designs and high-quality craftsmanship. Since 2007, we've partnered with Trees for the Future, an organization committed to promoting agroforestry and providing renewable energy to impoverished areas. For every piece of furniture we produce, Trees for the Future plants one tree. Trees for the Future operates in degraded and deforested regions, tackling climate change and world hunger. Farmers are trained to sustainably revitalize their land. This provides sources of food they otherwise would not have access to. Through TREES Forest Garden Approach, farmers plant thousands of trees that provide protection and nutrition. Their gardens and soil are restored through nitrogen fixation.
