Care & Maintenance

Frame: Simply hose off or wipe down your frames to clean. Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Should these products get scratched or damaged, the metal will begin to rust. Use Rustoleum spray paint to touch up and prevent rust from spreading.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
