- Stackable design makes storage and transportation easy
- Aluminum frame can be recycled
- MGP is made with more than 30% recycled resin and can be recycled
- Made in the USA
- No Assembly Required

Warranty

The Telescope Casual warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- Powder-coated aluminum frames and marine grade polymer frames are warranted to be free of structural failures or manufacturing defects for 15 years residential / 1 year commercial from the date of purchase.
- Wood furniture, cushions, slings and folding aluminum furniture are warranted to be free of manufacturing defects for 1 year from the date of purchase.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh brushes, power washers, or high-heat, which could damage the finish.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.

About The Manufacturer

Telescope Casual has produced quality outdoor patio furniture since its founding in 1903. Though the company is best known for its sling furniture, it also manufactures wicker, aluminum, cast aluminum, and resin furniture. Telescope's skilled teams strive to provide the best customer service, the fastest delivery, and the best quality products. They are considered a leader in the casual furniture industry.

Telescope has remained a remarkably successful family-owned business; it is currently managed by the fourth and fifth generations, and headed by Kathy Juckett. More than 300 employees maintain a close working relationship with the Vanderminden family and management team. Much of Telescope's success is owed to the talented workforce, who take pride in their craftsmanship, and the professional sales force, who work tirelessly to ensure every customer's expectations are exceeded by their Telescope experience.
