- Frame finishes are warranted to be free of manufacturing defects for 7 years residential / 5 years commercial from the date of purchase.

## Care and Maintenance

**Frame:** Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

**Sling:** Wipe down with a damp cloth using a soap and water mixture every few weeks to prevent stains. To remove mold, rinse down the furniture with water and scrub with a brush gently.

**Covers & Storage:** To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climates, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
