Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

Sling: Wipe down with a damp cloth using a soap and water mixture every few weeks to prevent stains. To remove mold, rinse down the furniture with water and scrub with a brush gently.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climates, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
