Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Should the product get scratched or damaged, the metal will begin to rust. Use Rustoleum spray paint to touch up and prevent rust from spreading.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climates, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
