- One (1) 42" x 120" Rectangular MGP/Aluminum Extension Table with Umbrella Hole 5290

### Dimensions

- 42" W x 88-120" D x 29.25" H (183 lbs.)

### Features

- Powder-coated aluminum legs will not rust, peel, or crack
- Marine grade polymer (MGP) table top will not crack, rot, or separate
- MGP is impervious to moisture, so will not absorb fresh water or salt water
- Synthetic lumber is solid color all the way through
- Includes high quality stainless steel hardware
- Extension table has two self-storing leaves that lengthen the table from 88" to 120"
- Dining table has an umbrella hole, which can accommodate standard patio umbrellas with a pole diameter up to 1.5"
- Aluminum frame can be recycled
- MGP is made with more than 30% recycled resin and can be recycled
- Made in the USA
- Assembly Required

### Warranty

The Telescope Casual warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- Powder-coated aluminum frames and marine grade polymer frames are warranted to be free of structural failures or manufacturing defects for 15 years residential / 1 year commercial from the date of purchase.

#### Care and Maintenance

**Frame:** Simply hose off or wipe down your frame to clean it! Avoid using harsh brushes, power washers, or high-heat, which could damage the finish. Straps can be cleaned using warm water with soap.

**Covers & Storage:** To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.

#### About the Manufacturer

Telescope Casual has produced quality outdoor patio furniture since its founding in 1903. Though the company is best known for its sling furniture, it also manufactures wicker, aluminum, cast aluminum, and resin furniture. Telescope's skilled teams strive to provide the best customer service, the fastest delivery, and the best quality products. They are considered a leader in the casual furniture industry.

Telescope has remained a remarkably successful family-owned business; it is currently managed by the fourth and fifth generations, and headed by Kathy Juckett. More than 300 employees maintain a close working relationship with the Vanderminden family and management team. Much of Telescope's success is owed to the talented workforce, who take pride in their craftsmanship, and the professional sales force, who work tirelessly to ensure every customer's expectations are exceeded by their Telescope experience.
