Short Description

Latitude Lounge Ottoman with Cushion PWD4210 by POLYWOOD

Description

Modern design finds bold new expression with the Latitude Lounge Ottoman w/ Cushion (PWD4210) by POLYWOOD. This designer series' dramatic, continuous lines and broad planks meet at crisp right angles for a geometric, balanced feel. The Latitude Collection's modular design and bold, contemporary look give it a unique visual appeal, while sturdy, all-weather construction ensures lasting performance across the seasons. Its durable composite frames, weather resistant cushions, and fade-resistant performance fabrics are made to endure in any outdoor setting, rain or shine. Constructed with genuine POLYWOOD® lumber, which includes landfill-bound and ocean-bound plastics, this collection is made to last - and make a lasting difference!

Includes

- One (1) Latitude Lounge Ottoman Frame PWD4210X
- One (1) Seat Cushion XUS0171

Dimensions

- 27.5"W x 27.5"D x 17.13"H (42.25 lbs.)

Features

- Built to withstand a range of climates including hot sun, snowy winters, and strong coastal winds
- Quick-drying, durable cushions covered in all-weather performance fabric that resists weather, salt, sun, mold, and mildew

- Cushions are made with Revolution fabric which can easily be cleaned with mild dish soap and water
- Constructed of genuine POLYWOOD® lumber, a proprietary blend of plastics which includes recycled milk jugs and detergent bottles
- Vintage texture POLYWOOD lumber has a woodgrain look for a more natural esthetic
- Made in the USA and features a 20-year residential warranty; 3-year commercial warranty
- UV protectant and color continuously throughout the HDPE material; requires no painting or waterproofing
- POLYWOOD lumber cleans easily with soap, water, and a soft bristle brush
- No assembly required
- Made in the USA

About Revolution Performance Fabric Cushions

Revolution was introduced to the furniture industry in March 2014. Revolution was the first PFC chemical free performance fabric to hit the marketplace and was the only one made entirely in the United States after much of the textile business went overseas in 2008. Revolution has become a go-to fabric in the interior design community. It can be used in just about any type of project, whether it's a sectional for a multi-million dollar beach house or kitchen banquette cushions for a small family home. The cleanability and price point is perfect for clients designing on a budget.

About Sunbrella Fabrics

Sunbrella is the flagship brand of the family-owned company Glen Raven, Inc., which has a legacy dating back nearly 140 years. Sunbrella performance fabric is designed to be durable, easy to clean and beautiful for everyone to enjoy comfortably in any environment. Their design team is constantly developing new manufacturing methods and fabrics, which are specifically designed for use on outdoor furniture. Because of its enduring quality and comfort, Sunbrella is one of the most exceptional and well-known fabric brands in the patio furniture industry.

About Shayla Copas Fabrics

POLYWOOD has partnered with award-winning designer Shayla Copas and Revolution Performance Fabrics to bring you a new collection of stylish outdoor fabrics. Designed by Shayla herself and produced by Revolution, this outdoor fabric line features rich colors and eye-catching patterns. With gorgeous styles that come in vibrant, tasteful colors, you're sure to find something that will coordinate perfectly with your outdoor furniture and decor.

Warranty

POLYWOOD warranties to the original purchaser that, for a period of twenty (20) years of residential use from the date of purchase, under normal use and service conditions, POLYWOOD® furniture shall be free from material defects, and shall not splinter, crack, chip, peel, or rot, or suffer structural damage from insect infestation. Commercial warranty is three (3) years.

Care and Maintenance

How to Clean & Sanitize POLYWOOD Furniture:

Use this method for a quick clean-up here and throughout the season. Add in the bleach solution noted below to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months.

Mix mild dish soap and warm water in a bucket and use a clean cloth to wipe the soapy mixture onto the surfaces of your furniture, cleaning off any dust and dirt. For extra cleaning power or to sanitize, mix 1/3 parts bleach with 2/3 parts water and apply the bleach mixture to the finish with a clean cloth. Allow the bleach solution to sit on the lumber for a few minutes, it will not affect the color of the lumber. Loosen any dirt and debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush. Rinse thoroughly, and air dry or wipe dry with a soft cloth.

How to Clean Outdoor Fabric:

Small stains can be removed with a mixture of mild dish soap and water. For tougher stains, a mix one ounce of bleach with 30 ounces of water in a spray bottle. If possible, place a clean towel between the fabric and foam cushion to absorb any excess moisture. Set the nozzle to "fan" the spray pattern and wet out the entire side of the cover where the stain is. Then wipe the entire cover with a clean cloth to remove any excess moisture. Then spray the same area with clean water to rinse the bleach solution out of the fabric. Again wipe the entire cover with a clean cloth to remove any excess moisture. Allow the cover to air dry.

About POLYWOOD

Back in 1990, we were the first to create outdoor furniture from recycled plastic materials. "Made with genuine POLYWOOD lumber" is a brand promise. Our furniture is built to be enjoyed season after season . More importantly, our goal is to help create spaces where friends and family can gather, relax, and connect. POLYWOOD recycles an average of 400,000 milk jugs per day. Truckloads of recycled milk jugs are transformed into genuine POLYWOOD lumber, which is then used to construct our furniture.

Today, POLYWOOD recycles an average of 400,000 milk jugs per day. Truckloads of recycled milk jugs are transformed into genuine POLYWOOD lumber, which is then used to construct our wide array of Adirondack chairs, rocking chairs, benches, gliders, deep seating, dining, and more!

POLYWOOD furniture is built to withstand all four seasons and a range of climates including hot sun, snowy winters, salt spray, and heavy winds. Unlike traditional wood furniture, POLYWOOD furniture will never need to be sanded, painted or stained.
