Short Description

Latitude End Table PWD4218 by POLYWOOD

Description

Modern design finds bold new expression with the Latitude End Table (PWD4218) by POLYWOOD. This designer series' dramatic, continuous lines and broad planks meet at crisp right angles for a geometric, balanced feel. The Latitude Collection's modular design and bold, contemporary look give it a unique visual appeal, while sturdy, all-weather construction ensures lasting performance across the seasons. Constructed with genuine POLYWOOD® lumber, which includes landfill-bound and ocean-bound plastics, this collection is made to last - and make a lasting difference!

Includes

- One (1) Latitude End Table PWD4218

Dimensions

- 21.25"W x 21.25"D x 19"H (28 lbs.)

Features

- Built to withstand a range of climates including hot sun, snowy winters, and strong coastal winds
- Constructed of genuine POLYWOOD® lumber, a proprietary blend of plastics which includes recycled milk jugs and detergent bottles
- Vintage texture POLYWOOD lumber has a woodgrain look for a more natural esthetic
- Made in the USA and features a 20-year residential warranty; 3-year commercial warranty
- UV protectant and color continuously throughout the HDPE material; requires no painting or waterproofing
- POLYWOOD lumber cleans easily with soap, water, and a soft bristle brush
- No assembly required

Warranty

POLYWOOD warranties to the original purchaser that, for a period of twenty (20) years of residential use from the date of purchase, under normal use and service conditions, POLYWOOD® furniture shall be free from material defects, and shall not splinter, crack, chip, peel, or rot, or suffer structural damage from insect infestation. Commercial warranty is three (3) years.

Care and Maintenance

How to Clean & Sanitize POLYWOOD Furniture:

Use this method for a quick clean-up here and throughout the season. Add in the bleach solution noted below to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months.

Mix mild dish soap and warm water in a bucket and use a clean cloth to wipe the soapy mixture onto the surfaces of your furniture, cleaning off any dust and dirt. For extra cleaning power or to sanitize, mix 1/3 parts bleach with 2/3 parts water and apply the bleach mixture to the finish with a clean cloth. Allow the bleach solution to sit on the lumber for a few minutes, it will not affect the color of the lumber. Loosen any dirt and debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush. Rinse thoroughly, and air dry or wipe dry with a soft cloth.

About POLYWOOD

Back in 1990, we were the first to create outdoor furniture from recycled plastic materials. "Made with genuine POLYWOOD lumber" is a brand promise. Our furniture is built to be enjoyed season after season. More importantly, our goal is to help create spaces where friends and family can gather, relax, and connect. POLYWOOD recycles an average of 400,000 milk jugs per day. Truckloads of recycled milk jugs are transformed into genuine POLYWOOD lumber, which is then used to construct our furniture.

Today, POLYWOOD recycles an average of 400,000 milk jugs per day. Truckloads of recycled milk jugs are transformed into genuine POLYWOOD lumber, which is then used to construct our wide array of Adirondack chairs, rocking chairs, benches, gliders, deep seating, dining, and more!

POLYWOOD furniture is built to withstand all four seasons and a range of climates including hot sun, snowy winters, salt spray, and heavy winds. Unlike traditional wood furniture, POLYWOOD furniture will never need to be sanded, painted or stained.
