Marquis 4-Seat Chat Set w/ Firepit

## Description

---

With handcrafted excellence and durable construction, the Marquis 4-Seat Chat Set w/ Firepit by Castelle offers traditional style and low-maintenance comfort. The Marquis Collection's rustic forged elements and interlocking leg joinery details are crafted with heavy duty aluminum to ensure lasting durability. With a wide variety of top-of-the-line outdoor performance fabrics and hand-painted powder coat finishes to choose from, you can customize this set to perfection. Castelle only uses the best all weather frame materials and cushions, so you can enjoy all year without worrying about weather. If you can't find the fabric you're looking for, feel free to give our sales team a call at (888) 947-4449! Note: Castelle's fire tables are made to accommodate a standard 20 lb. propane tank. The fire pit should not be connected to a natural gas line unless the unit has been converted for natural gas use by a professional plumber or contractor.

Please contact us with any questions or concerns regarding White Glove delivery and associated fees. Depending on the size and location of your order we may be able to waive these fees.

## Castelle Designer Details

**Cast Aluminum Details:** Casting is the process where melted metal is poured into molds to create distinctive shapes and designs. Castelle uses this handcrafted process to engineer the intricate aluminum detailing found on their frames. The delicate nature of the molds and hand-poured aspect of this process demands expert craftsmanship, but it results in a one-of-a-kind creation.

**Welted Cushions:** Welt goes by several names. It can be called a welt trim, welt cord, welt piping, or simply welting. It is the decorative trim around the edges of a cushion to give the cushions a more finished look. A thin piece of cord or piping is wrapped in fabric and sewn to the seams of a cushion. It serves two primary functions. The first is functional, helping to strengthen and protect the seams of the cushion. The second is visual. Welt gives cushions a more finished look and emphasizes the shape of the cushion. Welt that matches the color of the cushion fabric is called a "matching" or "self" welt. Welt that is a different color than the color of the cushion fabric is called a "contrast" welt.

**Tufted Cushions:** Tufted cushions are made by sewing the back and front of the cushion together in at least one place, usually in the center of the back cushion. This process can add more stability to the fiber fill, but the choice is mostly for style. This look pairs best with European or vintage inspired designs. Castelle offers tufted cushions with your choice of button.

## Warranty

Castelle's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- Frame: 15 Years Residential
- Finish: 5 Years Residential
- Cushions: 2 Years Residential
- Fabric: 5 Years
- Burner: 2 Years Residential

## Care and Maintenance

**Frame Care:** Regular cleaning with a mild soap and water solution is recommended. Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Regular maintenance of the furniture will extend its life and will keep it looking beautiful. For more information, please see the Care & Maintenance PDF.

**Cushion Care:** Regular cleaning with mild soap and water will help prevent build-up of dirt, which can generate mildew. Simply spot treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry at a much faster rate when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
