Stages of Wood Finish:

New Ipe

Weathered

Short Description

Opal 41" Square Dining Table 63210 by Jensen Outdoor

Description

The Opal 41" Square Dining Table (63210) by Jensen Outdoor will dazzle you and your guests with its stunning craftsmanship. Opals signature detail, an open "O" on the upper back of each seating frame, resembles the circular shape of the precious stone that shares its name. This collection's timeless style and an unbeatably smooth, rich chocolate-brown finish will make a welcome addition to any design landscape. Made with sustainably harvested Ipe wood, a timber prized for its beauty and long-lasting durability, this frame is built to last a lifetime.

Your purchase of Jensen Outdoor furniture will be delivered with white glove delivery service, which means less work for you! White glove service includes full product assembly and placement on your patio or deck, as well as packaging removal and clean-up.

Includes

- One (1) Opal 41" Square Dining Table 63230

Dimensions

- 41"L x 41"W x 29"H
- Weight: 68 lbs.

Features

- Made with 100% FSC certified Ipe timber, sustainably sourced from the tropical forests of Bolivia
- Highly durable timber offers exceptional longevity and resistance to weather, moisture, sun and wind
- A unique, fine-grain sanding technique provides a smooth-as-glass hand finish to the natural wood frame
- Ipe timber displays a rich, chocolate brown color that may be beautifully maintained over time or allowed to gracefully age into a subtle silver patina
- Zinc-plated steel components provide extra frame strength
- Table has an umbrella hole, which can accommodate standard patio umbrellas with a pole diameter up to 1.5"
- This item ships via small parcel when purchased by itself, some assembly required. If purchasing this item with larger Jensen items that include free white glove delivery then we will ship your entire order with free white glove delivery including this item.

Warranty

Jensen Outdoor's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your Jensen furniture will outlive the warranty by many years.

- Frame: Ipe frames are warranted to not break or crack for five (5) years of residential use.
- Hardware: Hardware used in the production or assembly of Jensen Outdoor furniture is warranted to not break for five (5) years of residential use.

About Ipe Wood

Ipe is a hardwood timber prized for its beauty and long-lasting durability in any environment. Ipe timber exhibits a deep chocolate-brown grain when new that may be allowed to naturally age to an elegant silver patina or brought back to an as new finish at any time. Jensen Outdoors Ipe furniture comes pre-stained with Penofin® Verde Oil Finish, which protects and conditions the wood to prevent absorption of moisture. Although Ipe is naturally stable, small checks in the surface (minuscule openings of the wood grain at the ends) may appear if the furniture is placed in a very dry or sunny environment. Superficial checking is a natural occurrence resulting from moisture loss and in no way affects the structural integrity and longevity of the furniture, and will in fact disappear when the environment becomes moist.

Care and Maintenance

Ipe Wood: You can wash your Ipe wood surfaces with a soft towel and mild dish soap, then rinse clean with water. Once complete, allow to dry. Avoid using harsh cleaners, brushes or power washers, which could damage the finish. For color restoration and tough stain removal instructions, please see the attached Care & Maintenance Guide.

About the Manufacturer

Jensen's mission is to bring the highest-quality sustainable wood furniture in the world to your patio. Their Virginia based manufacturing team sources, designs, and crafts luxury outdoor furniture using the world's best materials; each piece is purpose-built to expand your homes footprint outdoors. They offer a variety of collections with different design elements, making it easy for you to incorporate with your own distinct patio look.

Jensen Outdoor strives to protect forests through sustainable sourcing techniques, ensuring these high-quality natural materials are available for generations to come. As a Forest Stewardship Council partner, they help responsibly manage 2 million acres of dry-tropical forests in Eastern Bolivia. They rotate which areas of

the forest are harvested every season, enabling better forest diversity and health. By purchasing from Jensen, you are directly supporting the longevity of these unique forests.
