Short Description

Resin Coated Concrete 50 lb. Table Umbrella Base 50C

Description

The Resin Coated Concrete 50 lb. Table Umbrella Base (50C) by Frankford Umbrellas has a sleek, low-profile style that will coordinate well with your umbrella frame finish and the rest of your patio collection. Designed for commercial and residential use, this base is built with a resin shell and filled with concrete to ensure long lasting durability and corrosion resistance. This base will fit any umbrella pole up to 1.5" in diameter. Note: This base is intended for use with a table; it is not recommended for freestanding use.

Not sure which umbrella base is right for your Frankford umbrella? Check out the attached Umbrella Base Guide to find the best fit and style for your sunshade! If you can't find the finish you're looking for, feel free to give our sales team a call at 1-888-947-4449 to discuss more options!

Warranty

Frankford's warranty covers manufacturing defects; it does not cover breakage due to contact with foreign objects, chipping of the finishes, crumbling of concrete, or any damage associated with transporting the base. With a little bit of care, your umbrella base will outlive the warranty by many years.

- Frankford warrants all umbrella bases for a period of 1 year from the original date of purchase.

Care & Maintenance

Simply hose off or wipe down your base to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.
