GOLDEN OAK

A finely textured matte powder coat finish with wood grain details, rich deep lowlights and bright lively highlights lend to a pure, natural look.

HEATHER WILLOW

A finely textured matte powder coat finish with wood grain details, mild lowlights and a gently washed overall finish. A refined, yet weathered look.

SILVER ANODIZED

Our signature aluminum with a high polish anodized finish built to withstand the harshest conditions. This finish adds a contemporary look to any setting.

MATTE SILVER

Our signature aluminum offers a soft matte anodized finish built to withstand the harshest weather. A perfectly understated neutral finish for any setting.

MATTE BLACK

A deep and tangible matte black powder coat finish. Sleek and ideal for the contemporary at heart.

MATTE WHITE

A soft matte white powder coat finish. Ideal for a minimalist concept.

MATTE BRONZE

A rich antique matte bronze powder coat finish. Amber tones, and iridescent browns with a metallic top finish. Ideal for the warmly designed setting.

Short Description

Premium Aluminum Concrete Freestanding 150 lb. Umbrella Base w/ Wheels 150A

Description

The Premium Aluminum Concrete Freestanding 150 lb. Umbrella Base w/ Wheels (150A) by Frankford Umbrellas has a sleek, low-profile style that will coordinate well with your umbrella frame finish and the rest of your patio collection. Designed for commercial and residential use, this base is built with a cast aluminum

shell and filled with concrete to ensure long lasting durability and corrosion resistance. Several optional umbrella stem heights allow you to enjoy your umbrella with a patio table or freestanding. This base will fit any umbrella pole up to 1.5" in diameter. However, if your umbrella pole is larger, you can purchase a 2" aluminum stem to go with this base.

Not sure which umbrella base is right for your Frankford umbrella? Check out the attached Umbrella Base Guide to find the best fit and style for your sunshade! If you can't find the finish you're looking for, feel free to give our sales team a call at 1-888-947-4449 to discuss more options!

Includes

- One (1) Premium Aluminum Concrete Freestanding 150 lb. Umbrella Base w/ Wheels 150A
- One (1) Optional removable stainless steel umbrella stem (sold separately)

Dimensions

- 30" W x 4" H
- Weight: 150 lbs.

Features

- Aluminum frame is commercial quality, rust-proof, and highly durable
- Concrete filling is durable and heavy enough to keep your umbrella in place all year long
- Full 18" stem is used for free-standing applications to give your umbrella additional weight and support
- Select the 8" stem for under-table applications
- Wheels enable you to quickly and easily adjust the position of your umbrella
- Ideal fit for lightweight umbrellas and smaller patios
- Assembled in the USA

Warranty

Frankford's warranty covers manufacturing defects; it does not cover breakage due to contact with foreign objects, chipping of the finishes, crumbling of concrete, or any damage associated with transporting the base. With a little bit of care, your umbrella base will outlive the warranty by many years.

- Frankford warrants all umbrella bases for a period of 1 year from the original date of purchase.

Care & Maintenance

Simply hose off or wipe down your base to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

About Polywood

Frankford Umbrellas has been in the shade business for 121 years, providing superior quality umbrellas to the contract and retail industries since 1898. We are a dynamic and thriving company in the outdoor living industry, specializing in modern and traditional shade solution designs.

The beauty, design, and superior elements of our umbrellas bring enhanced resort and dining experiences to your cherished outdoor living space. We use only the best materials in manufacturing our umbrellas, and we are proud to build them right here in the United States. Our umbrellas are built to last, and are truly the best in the industry. We believe in providing our partners an exceptional product, at a reasonable price, with superior customer service.
