Short Description

Galvanized Stackable 150 lb. Steel Plate Round Umbrella Base 36G

Description

The Galvanized Stackable 150 lb. Steel Plate Round Umbrella Base (36G) by Frankford Umbrellas has a sleek, low-profile style that will coordinate well with your umbrella frame finish and the rest of your patio collection. Designed for commercial and residential use, this base is built with galvanized steel to ensure long lasting

durability and stability. Several optional umbrella stem heights allow you to enjoy your umbrella with a patio table or freestanding. This base will fit any umbrella pole up to 1.5" in diameter. However, if your umbrella pole is larger, you can purchase a 2" aluminum stem to go with this base.

Not sure which umbrella base is right for your Frankford umbrella? Check out the attached Umbrella Base Guide to find the best fit and style for your sunshade! If you can't find the finish you're looking for, feel free to give our sales team a call at 1-888-947-4449 to discuss more options!

Warranty

Frankford's warranty covers manufacturing defects; it does not cover breakage due to contact with foreign objects, chipping of the finishes, crumbling of concrete, or any damage associated with transporting the base. With a little bit of care, your umbrella base will outlive the warranty by many years.

- Frankford warrants all umbrella bases for a period of 1 year from the original date of purchase.

Care & Maintenance

Simply hose off or wipe down your base to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.
