#### Care & Maintenance

Frame Care: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Regular maintenance of the furniture will extend its life and will keep it looking beautiful.

High-Pressure Laminate (HPL): Clean with a moist microfiber cloth. Remove most stains with water and ordinary all-purpose cleaner or dishwashing detergent. For stubborn stains, use a dab of concentrated detergent. Avoid abrasive or highly aggressive cleaning products like steel wool, scouring powder or other polishes as they can scratch the surface and cause damage.
