Short Description

Concrete Seat CON by Fatboy

Description

The Concrete Seat (CON) by Fatboy offers elegant multipurpose outdoor use. Despite its name, this piece does not contain any concrete. It is instead made with Polyethylene, which is all-weather and fade resistant. Enjoy all of the durable, modern style of concrete without the added weight! Bonus: This piece is fillable (we recommend sand or water), so you can make it as lightweight or heavy as you please. Pair two together to make a bench, or enjoy as a single seat.

Includes

- One (1) Concrete Seat (CON)

Dimensions

- Weight: 12.00 lbs.
- 19"H x 19.5"W x 15.5"L
- Capacity: 330 lbs.

Features

- Polyethylene seat is all-weather, recyclable and resistant to fading or cracking
- Suitable for indoor or outdoor use
- Use it as a stool, end table or storage space
- Seat can be filled with water or sand for extra stability and sturdiness
- No assembly required

Warranty

Normal wear and tear is not included in this warranty. With a little bit of care, your Fatboy furniture will outlive the warranty by many years.

- Fatboy products carry a 6 month warranty against manufacturing defects.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish.

Covers & Storage: To prolong the life of your furniture, we recommend using a protective cover. In areas with harsh winter climate, store the cushions inside of a garage or shed, and cover the frames to prevent damage.
