## Description

Give your balcony, patio, porch, or anywhere else a touch of European flair and warmth with our Champagne Chiminea. Featuring an elegant embossed design of grape bunches around its entire body, along with a lattice-work motif along its flue, this chiminea speaks elegance in every direction. The hinged safety screen keeps everyone around it safe from flying sparks, but opens easily to make tending the fire easy. This chiminea's flue removes easily to reveal a perfect grilling spot for making hamburgers, steaks, chicken, and so much more. Made from a durable cast aluminum finished with a classy antique brass finish, the Champagne Chiminea includes everything you need (minus the wood) to create a warm, gathering area for your outdoor environment. With premium materials and quality craftsmanship, the Champagne Chiminea is designed to assist you in making the most of your outdoor space.

The chiminea rain cover is made from a waterproof UV protective fabric that's ultra durable, making it weather-resistant. The drawstring bottom allows for a snug fit and keeps your chiminea looking beautiful season from season.

**Includes:** fire pit, log grate, flue, screen/wood tool, and cover
