Short Description

The Indo End Table is a stylish addition to any patio set.

Description

The Indo End Table is a stylish addition to any patio set. Place it next to lounges, sofas, or sectionals for a great place to set drinks or outdoor decor. The top is a woven high density PE wicker, which is UV, fading, and chipping resistant. You can also order a stone top that provides a lovely contrast while still keeping its contemporary style. The coffee color matches the rest of the Indo collection for a matching patio design.

All Weather, Environmentally Friendly Wicker :

Synthetic wicker is made in different levels of quality, but we only offer the best. This wicker is made from high density polyethylene (HDPE), which is specially manufactured for all weather resistance. It resists UV damage, chipping, fading, and deformation due to solar heat. Each strand is solid through and through with color, which means you never have to worry about cheap paint flaking off. In addition, it is also 100% recyclable and does not degrade into environmentally harmful compounds. HDPE wicker is not only superior in terms of quality, but also in terms of environmental responsibility.

Features:

- Dimensions: 27" Round x 23"H
- Coffee Colored Wicker
- 100% HDPE Wicker resists cracking, chipping, and UV damage
- Sturdy Aluminum Frame
- All Weather Protection
- Environmentally Friendly, Non-toxic, and 100% Recyclable
- Optional Stone Top available
