Short Description

The Indo Cocktail Table is a great place to gather for drinks, serve hors d'oeuvres, or simply catch up with

friends.

Description

The Indo Cocktail Table is a great place to gather for drinks, serve hors d'oeuvres, or simply catch up with friends. It is constructed from a high density PE wicker, which is the industry favorite for durability and all weather endurance. The rich coffee color not only resists fading, it complements a wide range of colors and styles. Pair it with club chairs, sofas, or love seats for a cozy outdoor conversation area. It also matches the rest of the Indo collection, so you can design a complete patio layout for relaxing and entertaining. A stone top is also available.

All Weather, Environmentally Friendly Wicker :

Synthetic wicker is made in different levels of quality, but we only offer the best. This wicker is made from high density polyethylene (HDPE), which is specially manufactured for all weather resistance. It resists UV damage, chipping, fading, and deformation due to solar heat. Each strand is solid through and through with color, which means you never have to worry about cheap paint flaking off. In addition, it is also 100% recyclable and does not degrade into environmentally harmful compounds. HDPE wicker is not only superior in terms of quality, but also in terms of environmental responsibility.
