Short Description

The Indo Bar Table provides an elegant, modern place for you to enjoy drinks or the morning paper.

Description

The Indo Bar Table provides an elegant, modern place for you to enjoy drinks or the morning paper. It makes a perfect duo or trio with the Indo Bar Stools. The graceful, curved legs accentuate its height and set it apart from boring bar sets. The wicker is a coffee colored HDPE wicker that resists chipping and fading. It also is available with a handsome stone top. This provides a smooth surface for drinks and dishes. Its style and color match the rest of the Indo collection, so designing a matching outdoor patio set is simple!

All Weather, Environmentally Friendly Wicker :

Synthetic wicker is made in different levels of quality, but we only offer the best. This wicker is made from high density polyethylene (HDPE), which is specially manufactured for all weather resistance. It resists UV damage, chipping, fading, and deformation due to solar heat. Each strand is solid through and through with

color, which means you never have to worry about cheap paint flaking off. In addition, it is also 100% recyclable and does not degrade into environmentally harmful compounds. HDPE wicker is not only superior in terms of quality, but also in terms of environmental responsibility.
