Short Description

The Monterey End Table is the perfect addition to any club chair, outdoor sofa, sectional, or chaise lounge.

Description

The Monterey End Table is the perfect addition to any club chair, outdoor sofa, sectional, or chaise lounge. You can set your book or refreshments on it while you relax on the rest of your outdoor furniture. It matches the Monterey collection perfectly, but its style and options make it versatile enough for any patio set. The high density PE wicker is not only all weather resistant, it is also available in a coffee color. These modern colors coordinate well with most finishes and fabric options. Whether you are assembling an outdoor furniture set from scratch, or looking for a stylish, functional addition to your existing set, this outdoor wicker end table will fit right in.

All Weather, Environmentally Friendly Wicker :
Synthetic wicker is made in different levels of quality, but we only offer the best. This wicker is made from high density polyethylene (HDPE), which is specially manufactured for all weather resistance. It resists UV damage, chipping, fading, and deformation due to solar heat. Each strand is solid through and through with color, which means you never have to worry about cheap paint flaking off. In addition, it is also 100% recyclable and does not degrade into environmentally harmful compounds. HDPE wicker is not only superior in terms of quality, but also in terms of environmental responsibility.
